## **INDEPENDENT BUSINESS DEVELOPMENT CONTRACTOR**

**The Ideal Protein™ Australia National Movement has begun**, and we need a select group of experienced Independent Sales Contractors to help us launch and grow our Medically Developed Wellness and Weight Loss Program. With 64+/-% of Australians now overweight/obese, and the consequence defined as a National Healthcare Epidemic, the need is great, the timing perfect, the “opportunity of a lifetime”, for a limited few.

**Control Your Future**, make a real difference, and enjoy substantial uncapped and recurring earnings.

**Work With Qualified Health Care Professionals**, who will adopt our turn-key Weight Loss and Wellness method to their practices, for use with their patients:

- Identify Qualified Prospects
- Business Development
- Formalise Agreements
- Train Staff
- Provide Ongoing Support
- Interface with Corporate on Various Issues and Initiatives

**Ideal Protein Sets the Standard** for healthy, rapid, cost-effective and long-term weight loss & wellness. Canadian Headquartered, 15 years in practise, with operations in 12 countries around the world, Ideal Protein has established over 3500 Professional Healthcare Relationships across No. America alone, resulting with 7+ million walking billboard dieters. Unlike traditional weight loss companies, we are solely about Health & Wellness: burn fat, spare muscle, and restore optimal hormonal and metabolic functions...long term wellness.

**Successful Candidates** will be Entrepreneurial Independent Contractors who are:

- Proficient in Consultative Sales
- Proven able to grow and manage a dynamic business enterprise
- Confident and highly motivated
- Self-starters, able to work independently
- Outcomes-oriented overachievers
- Well organised/efficient
- Technology proficient

**Successful Candidates** will possess strong:

- Work ethic
- Personal and professional values
- Communications skills
- Relationship skills
- Training and education competence
- Health, wellness and nutrition knowledge/experience is a plus

### **Considerations:**

- We provide comprehensive and ongoing training, support, technology, tools and resources.
